

runtime

load

ui

```
graph LR; runtime -- load --> ui
```

The diagram consists of two light gray rectangular boxes with dark gray borders. The left box contains the text 'runtime' and the right box contains the text 'ui'. A horizontal arrow points from the right side of the 'runtime' box to the left side of the 'ui' box. Above the arrow, the word 'load' is written in a large, black, monospace-style font.
